

Overview

Plungers, packing, support rings and valve components matched to the plunger-pump model and part dimensions.

Construction and Configuration

Select plungers, packing, liner rings, valve bodies and valve seats separately for each series. Provide the pump model, component drawing number and critical fit dimensions when ordering.

Key Data

Item	Specification
Illustrated valve-body and seat series	OPA-1600、OPA-500、OPA-400

Selection

Select by equipment model, pipe diameter, rated load or torque, and connection dimensions. Check each size within the same series separately.
